Hello from Elysa & Karissa and welcome to our CMMS PTSA E-News!

Thank you to everyone who joined our PTSA as a charter member or a regular annual member!

We are your interim PTSA co-presidents. You might wonder what does interim mean? Well the PTSA is a regular 501(c)(3) nonprofit business. There's a lot of set up involved to get up and running. Much like our brick and mortar school building, we are still under "construction."

It's been exciting to bring several communities together and build our CMMS community into something that is truly remarkable. Why don't you join us? Our first PTSA general meeting will be at the end of the month and we are planning for programs and recruiting chairs to provide our students with an enriched and full student life! The best resources for you will be this ongoing newsletter, our [PTSA website](#), and our [Facebook page](#). Stay tuned!

Want to Know How to Support the PTSA?

If you have not joined the PTSA, please consider [joining](#) today. Your support will make it possible for us to offer amazing programs at CMMS.

Thank you to everyone who participated in our Charter Membership Drive this spring. The funds raised from that effort covered our startup costs (insurance, non profit filing fees, etc.) but we still need support going forward.

We are not able to accept donations at this time as our federal non profit status 501(c)(3) is pending. Applications have been delayed due to the pandemic. Once we are approved, we will circle back with a fund raising request.
