Seeking Members for the Nominating Committee

In the spring the PTSA voted in a temporary interim board. The interim board has been working hard to establish our PTSA as a non profit and set the foundation for future success. Now that our students are all together in their new school community, we would like to have another round of elections and elect a board for the remainder of the 2021-2022 school year. The nominating committee will do the important work of finding candidates for our elected positions. Please consider serving our school community in this very important role! A few Zoom meetings and a little time spent networking with potential candidates is all that is required in October and November. If you are interested in serving please contact interim presidents Karissa & Elysa.
