The poster features a vibrant, colorful illustration of a landscape with a yellow sun, white clouds, and a field of flowers. Each flower contains a different art-related icon: a video camera, a camera, a musical note, a paint palette, a film strip, and a person dancing. The background is a mix of light green and yellow tones.

My essay “The Power of Positivity”:
Reasons Why I am Hopeful talks about reasons
of hope in three profound categories.
One, the decrease in child poverty.
Second, advancements in technology, and
finally, the improvements in water quality and
eliminating hunger.
